Please carefully read the letter you got and follow the instructions. Call the school at the number listed above if you have questions.

**5. Who can receive reduced price meals?**

Your child can receive low cost meals if your household income is within the reduced price limits on the Federal Income Chart on the reverse side of this letter.

**6. I receive WIC (Women, Infants and Children) benefits. Can my child get free meals?**

Children in households participating in WIC may be eligible for reduced price or free meals. Please fill out an application.

**7. Will the information I give be checked?**

Yes, we may ask you to send written proof of the information you give.

**8. If I don't qualify now, may I apply later?**

You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TAF or other benefits. If you lose your job, your child may be able to get reduced price or free meals.

10. **May I apply if someone in my household is not a U.S. citizen?**  
You or your child do not have to be a U.S. citizen to qualify your child to receive reduced price or free meals.
11. **Who should I include as members of my household?**  
Include yourself, all children who live with you and all other people living in your household, related or not (such as grandparents, other relatives, or friends).
12. **What if my income is not always the same?**  
List the amount that you normally receive BEFORE taxes or anything else is taken out. For example, if you normally receive \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you are normally paid for overtime, include it.
13. **We are in the military; do we include our housing allowance as income?**  
If your housing is part of the Military Privatization Initiative, do not include your housing allowance as income. All other housing allowances must be included in your gross income.

Children eligible for reduced price or free Child Nutrition Program benefits may also qualify for HealthWave, a program that provides health insurance for children at little or no cost.
