Time is the coin of your life. It is the only coin you have, and only you can determine how it will be spent. Be careful lest you let other people spend it for you.

9. We are very disappointed at this time in a few of our PHS students in that they feel it is acceptable to throw new meal trays and the reusable orange sporks in the trash cans. Recently, we discovered 8 trays and 12 sporks after one lunch period. Had these not been discovered, our replacement cost would have been approximately \$50.00. Assuming this behavior continues, we are looking at approximately \$8,400 replacement expense for the school year. This translates to a meal increase of \$.85 for the upcoming school year. (EH)
10. Greetings. Drama club is having a RECYCLING FUND RAISER! They are NOT selling anything -- they are collecting old cell phones, ink jet cartridges, digital camcorders, digital cameras tha don't work, DVDs Video games, old laptops or notebook computers, etc. -- NOT WORKING, HALF WORKING OR WORKING -- we'll take those old electronics off your hands. Send items to the high school to Ruth Kindall -- or collect them -- send me an e-mail and a drama club student will pick them up! Money received for recycled items will be used for the WASHINGTON D.C. trip in the spring and other student activities. Please help us out! Thanks -- Drama Club (Ruth Kindall, sponsor)
